November 2026 Lomond Letter

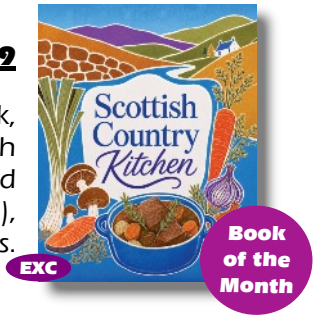

Dear Customer,

As Christmas rapidly approaches, November is the month to really boost your festive product range to capture as many of those keen Christmas shoppers as possible! We have some fantastic new books coming this month, and we have highlighted key titles in our Christmas range in this letter.

On the back page you'll find a reminder of our 2027 calendar ranges, since these last couple of months of the year are going to be the peak selling period for domestic customers.

As ever, if you need any range recommendations or more information, please speak to your Sales Representative or Sales Office team!

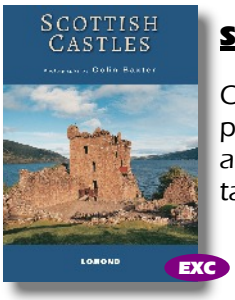

Here are our highlights among the November additions -

Scottish Country Kitchen - GWP - PB - 15134 - £9.99

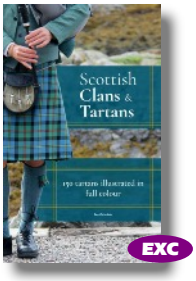

We are delighted to release this paperback edition of Ruth Shannon's classic cookbook, Scottish Country Kitchen. This is the ideal gift for the home cook: it includes recipes with beef, pork, chicken, fish, vegetables and Ruth's speciality, game, alongside bakes and puddings. In a new, more compact format with a fresh cover (at a great price point!), this has brand new appeal to today's buyers.

We're welcoming back two more of our own titles this month -

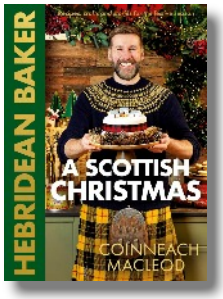

Scottish Castles: Lomond Guide - Lomond - 15118 - PB - £3.99

One of the top-sellers in our Lomond Guide range, Scottish Castles has updated photography throughout. The book features Scotland's best known castles across the country and is an excellent souvenir: light, compact and easy to take home in luggage.

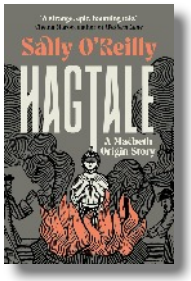

Scottish Clans & Tartans - Lomond - 52323 - PB - £8.99

This is a classic title in our range and we're thrilled to have it back - Ian Grimble's definitive guide to Scotland's clans, their ancestral histories and their associated tartans. This comprehensive book includes 150 tartans in full colour.

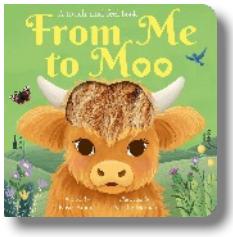

Hebridean Baker: A Scottish Christmas - HB - 14967 - £26

Coinneach MacLeod is Scotland's bestselling cookbook author, and now he brings us his irresistible collection of festive recipes in a gorgeous book. Containing recipes for hearty comfort food, last-minute meals for unexpected guests, bakes and treats, it also offers some cosy crafts for the winter. We highly recommend ordering this early to maximise your selling time before Christmas - this one is sure to receive a lot of press coverage.

Hagtale: A Macbeth Origin Story - Faber - PB - 14973 - £9.99

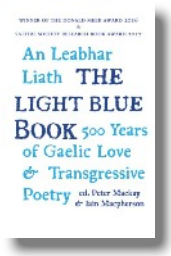

A dark fable unravelling an origin story for Macbeth, laced with witchcraft, lore and mystery. This time-shifting story will be popular with readers embracing fantasy and witchcraft novels, a genre that has boomed this year.

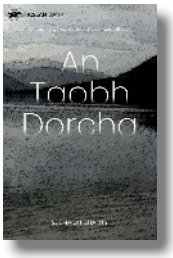

From Me to Moo Touch & Feel Board Book - Melia - BB - 14974 - £6.99

This cute little book with fabric and texture patches lets little ones join Highland Cow as she sets out to visit all of her friends - Red Deer, Golden Eagle, Rabbit and Mountain Goat. With bright illustrations and rhyming text, as well as a touch-and-feel die cut on the cover, this is a perfect interactive book to enjoy together.
