LOMOND

November 2026 Lomond Letter

Dear Customer,

As Christmas rapidly approaches, November is the month to really boost your festive product range to capture as many of those keen Christmas shoppers as possible! We have some fantastic Christmas books and gift ideas in this letter, and, of course, there are plenty more on our website.

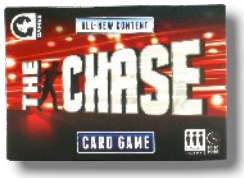

Overleaf you'll find a reminder of our 2027 Lomond Calendars, since these last couple of months of the year are going to be the peak selling period for domestic customers. For those of you in the Lake District, remember we have Colin Baxter's Lakes calendar too - stock code 14704!

As ever, if you need any range recommendations or more information, please speak to your Sales Representative or our Sales Office team!
