

Dear Customer,

Now that Halloween has passed and the clocks have changed, shoppers' sights are now set on Christmas. This year we have our **BIGGEST** range for Christmas ever and you can find all of our festive favourites on our website - be sure to check the Seasonal section for themed books and don't miss our Gifts & Games, Jigsaws, Calendars and Gift Books - and of course - Children's pages for more perfect present ideas.

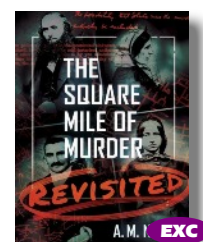

We're welcoming Ringwood Publishing as an exclusive distribution partner this month and we now carry their full range of titles. There are two new publications for November -

The Bruce's Treasure - Ringwood Publishing - PB - 13838 - £9.99

The Bruce's Treasure is the explosive third chapter in a sweeping eight-part saga that tears through the Scottish Wars of Independence with razor-sharp intensity. From shattered vows to secret pacts, this is a tale of men willing to lose their honour - and their lives - for the ultimate prize of independence.

The Square Mile of Murder Revisited - Ringwood Publishing - PB - 13837 - £12.99

A compelling update to a Scottish true crime classic. Glasgow has 4 murders which were made famous in journalist Jack House's book in 1961 Square Mile of Murder. In Square Mile of Murder Revisited true crime author A M Nicol takes a fresh look at the cases again which were trials in the days when the state demanded capital punishment for murder charges. The book takes another look at the trials of Oscar Slater, Jessie McLachlan, Edward William Pritchard and Madeleine Smith.

More highlights in our Scottish range are -

Cafe Cùil Cookbook - Kitchen Press - HB - 13233 - £25

Cafe Cùil faces the sea just outside stunning Carbost in the Isle of Skye. In this idyllic setting, award-winning chef Clare Coghill celebrates Highland produce, re-imagines traditional Scottish dishes and puts a Hebridean twist on some global ones - think tattie scone tacos, langoustine and whisky bisque, Highland shakshuka, seaweed sauerkraut and Bloody Mhairi.

Winter - Hodder - HB - 13368 - £16.99

Winter is the time to snuggle indoors without guilt; to curl up on the sofa with a good book or a box set, a hot drink or a wee whisky to hand. Here, Val McDermid takes us on an adventure through the season, from the frosty streets of Edinburgh to the windblown Scottish coast, from Bonfire Night and Christmas to Burns Night and Up Helly Aa. She remembers winters from childhood, the thrill of whizzing over a frozen lake on skates, carving a 'neep' for Halloween and being taken to see her first real Christmas tree in the town square, lights twinkling bravely in the dark Scottish winter night.

Tartan Cloth Notebook Large, Blank - Waverley - HB - £15.99v

A new selection of Waverley's best selling notebooks are now available with blank pages, including MacQueen of Skye (13572), Ramsay Blue (13573), Stewart Hunting (13574) and Stewart Modern Black (13575).

And among our Christmas books are these two new books -

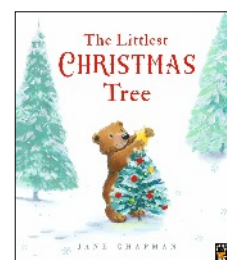

The Littlest Tree - Little Tiger - PB - 14076 - £7.99

It's almost Christmas, and all the animals are out in the wood to pick the perfect tree. But when Christmas is over, and Little Tree has to go outside, Cubby is so sad! Luckily, Daddy has the perfect solution: Little Tree will live right outside in the garden until next winter, when the Christmas magic can start all over again.

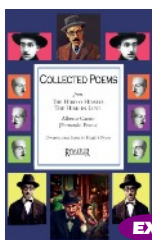

Stick Man: The Present Hunt - Scholastic - BB - 14088 - £8.99

Join Stick Man and Santa on their search for the missing Christmas presents! Stick Man is helping Santa deliver the Christmas presents... but the presents have gone missing. Wee ones can lift the flaps to find them!
