

Dear Customer,

We'd like to thank everyone who came to visit our stand at Scotland's Trade Fair Spring - it's always such a pleasure to meet our customers in person! If you couldn't attend the fair this year, be sure to contact your Sales Representative to find out more about our new titles for January to June 2026.

On that note, we have some new ranges coming this month: a selection of books for Mother's Day and an extended collection of Easter titles. You'll find details of new books overleaf and more in the 'seasonal' section on our website.

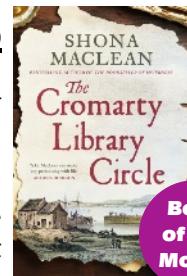

A great selection of new toys are also due in February, so many that we can't fit them all in this letter! We've featured a few on the back page, including branded Marvel and Disney toys, so please do take a look on our website for full details of the new lines.

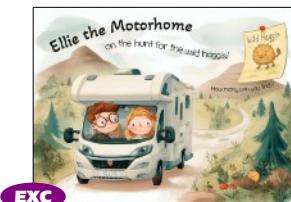

Now, for a closer look at some of our February titles:

### **The Cromarty Library Circle - Quercus - HB - 13875 - £20**

We have a limited number of signed copies of Shona Maclean's new novel coming this month - please contact our office or your Sales Rep to order. In this latest instalment, we begin in Cromarty, the Black Isle, 1831. As seagulls shriek and rise on the coastal winds, a circulating library in the bustling port town of Cromarty is meeting for the first time. Ostensibly united by a love of books, the demands of social convention have brought together a disparate group of people and a chain of events is set into motion that threatens to upset the delicate equilibrium of the community.
