Edinburgh: 80 Best Views - Allan Wright - PB - 14297 - £11.99

Scottish Borders: 80 Best Views - Allan Wright - PB - 14296 - £11.99

Both of these new exclusive arrivals from photographer Allan Wright feature a collection of photographic moments from both the City of Edinburgh as well as the Scottish Borders. Filled to the brim with brilliant photography, these books are sure to be very popular this upcoming tourist season.

How to Kill a Witch - Monray - PB - 13886 - £10.99

A brilliant new historical read is going to be available this month for all who want to dive deeper into what being a woman in 1500s Scotland was like. Campaigners and writers Claire Mitchell, KC, and Zoe Venditozzi have delved deeply into just why the trials exploded to such a degree. They have broken down the entire horrifying process step by step in an attempt to inhabit the minds of the persecutors, often men, to reveal the inner working of why the patriarchy went to such extraordinary lengths to silence women.

Edinburgh Murders - Hodder - PB - 14166 - £10.99

An exciting historical crime fiction set in Edinburgh will be a great book this season. Featuring welfare officer Helen Crowther who ends up having to investigate a string of murders and is propelled into a dark world where class rules, justice is hard to come by and gruesome death is everywhere. She has already learned some hard truths about her city, but this investigation will reveal just how deep corruption can go.

My First Scottish 123 - BC - BB - 14078 - £6.99

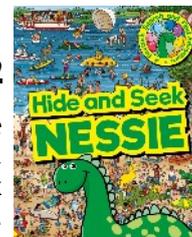

My First Scottish ABC - BC - BB - 14079 - £6.99

Both of these titles are colourful books with distinctive illustrations from Eilidh Muldoon which will be sure to help the youngest readers learn their ABCs and 123s. With something different to look at on every page, these interactive books are full of fun.

Hide & Seek Nessie - Floris - PB - 13938 - £7.99

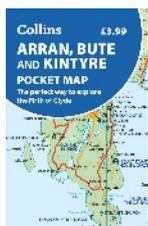

Nessie books are always great sellers throughout the year, this will be no exception. Play hide and seek with Nessie and the other Loch Ness Monsters as they visit twelve amazing locations, from exploring old castles to swinging through adventure parks! This fantastic activity book provides young children with hours of search-and-find fun.

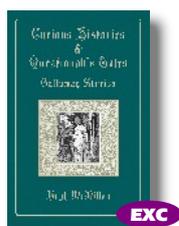

Secret Agent Nessie - Floris - PB - 13949 - £7.99

Follow Secret Agent Nessie and her W.E.T (Water Espionage Team) pals on a mission to foil their feathered foes' fishy plans and keep Loch Ness safe! Chock full of water fights, bird puns, larger-than-life characters and at least one stolen tractor, Secret Agent Nessie is a laugh-out-loud, full-colour graphic-novel adventure. This bold and wacky tale of underwater espionage and feathered felons is perfect for children aged 6 and up.
