

Dear Customer,

April will be another busy month, particularly with the Easter holidays falling right at the beginning, so we are sure the season will kick off strongly. There are plenty of new titles on the way in April to tempt those springtime shoppers!

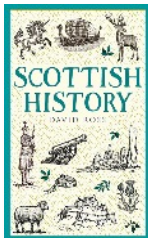

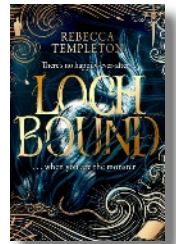

Book of the Month

The Bone Cave - Birlinn - PB - 13955 - £10.99

This is a book about stories - old stories of people and place, and of the more-than-human world. A vivid account of a journey through the Scottish Highlands, *The Bone Cave* follows a series of folktales and myths to the places in which they're set. Travelling mostly on foot, and camping along the way amid some of Scotland's most beautiful and rugged landscapes, Dougie Strang encounters a depth of meaning to the tales he tracks - one that offers a unique perspective on place, culture, land ownership and ecological stewardship, as well as insights into his own entanglement with place.

Loch Bound - Sphere - HB - 14178 - £22.00

An enchanting historical fantasy which will be a fantastic read over the spring season. A 'glitteringly dark' re-imagining of *The Little Mermaid* set in eighteenth century Scotland, this book will be sure to lure all readers in. The publisher describes this as *Outlander* meets *Spellbound* - a captivating and compelling novel.

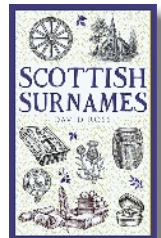

Scottish History - Birlinn - PB - 14083 - £6.99

A brilliant new book from David Ross is available this month. The 2000-plus years of Scottish history have seen a huge variety of events, from great national moments to personal achievements, each one helping to make and mould the character of the nation. This compendium takes note of the milestones - historical as well as cultural, serious as well as entertaining - but also of the many steps between them, making it an essential for all who want to learn more.

Scottish Surnames - Birlinn - PB - 14084 - £6.99

Another book in the same series, *Scottish Surnames*, is great addition. Surnames give us a sense of identity and belonging. They are keys to our family history and they always have an original meaning. This new collection of some 400 names, provides an informative and reliable guide to Scottish surnames. In each case, the original meaning is given, along with the original location and its first recorded appearance making it an essential for any Scottish-interest bookshelf.

EXC

Notebook Highland Cow - HB - 98724 - £13.99v - £5.83 NET

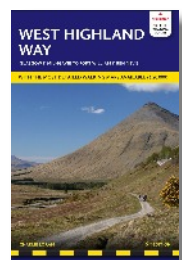

EXC

Notebook Thistle Flower of Scotland - HB - 98725 - £13.99v - £5.83 NET

Two fantastic, high quality notebooks are on the way from watercolour artist Clare Baird - these are lined notebooks, A5 size with an elastic enclosure, pen loop and a ribbon marker. Each spread features Clare's illustrations, so these can perfectly pair with her pen sets, sticky notes and washi tape!

West Highland Way - Trailblazer - PB - 14190 - £15.99

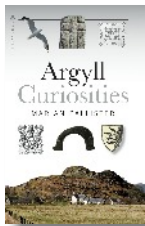

A new edition of this essential route guide to have ready for your customers coming up to better weather and walking conditions. This is a practical, complete guide to walking the West Highland Way, a 96-mile footpath which begins just north of Glasgow and ends in Fort William. With 53 large-scale walking maps, 26 town/village guides and day walks, this has all the information anyone might need to enjoy their hiking adventure.

Exploring the Fife Coastal Path - Birlinn - PB - 14388 - £14.99

An informative new guide from Hamish Brown for all those wanting to visit the Fife Coastal Path this year. Designed to be used by walkers on the Path or visitors to any point along it, it introduces a wealth of castles, churches, harbours, monuments and red-roofed houses. Every part of the route is explored in depth and great advice given throughout which is why it is a must have this year.
