

Dear Customer,

The nicer weather alongside the imminent school holidays will be sure to bring a welcome boost to footfall this month. We have a brilliant new variety of books arriving with us across all of our different ranges, making it a good time to rejuvenate your ranges for the Summer. As always, we have a brilliant sales team on the road who are happy to help you with all the recommendations you need for your business!

Let's start with our June highlights-

DC Maclean: The Long Isle (Signed Copies) - Vinci - PB - 14121 - £9.99

A brilliant new series from Andrew Raymond set in the Hebrides is due this month and we even have signed copies available! Forced to return to the islands she once fled, Detective Constable Mairead Maclean must face a killer and past that she'd outrun. This is certainly a great new option for all your customers who love investigating and enjoy reading Scottish crime fiction.

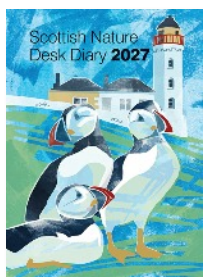

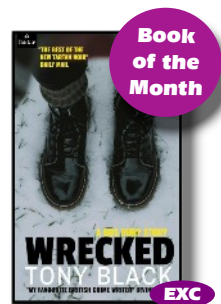

Silent Bones - Sphere - PB - 14450 - £10.99

Following on with another new crime fiction novel, this time we have a mystery set in Edinburgh for your customers to enjoy by beloved author Val McDermid. Join DCI Karen Pirie who has reopened a case from eleven years ago at the same time that new evidence reopens in another closed case in Edinburgh. Karen and her team begin to untangle a web of lies, but will they be tested to their limits?

Wrecked: A Gus Dury Story - Z Noir - PB - 14755 - £9.99

Our book of the month is also crime fiction and a Lomond exclusive, from highly acclaimed author Tony Black in his long-running Gus Dury series. Gus Dury is back and so are his troubles, after swearing off the drink, he stumbles across a missing person's case that he can't say no to. Drug gangs, corrupt cops and the call of drink want to see him wrecked, but will he let the mean streets of Edinburgh beat him down?

2027 Diary Scottish Nature Desk - Birlinn - PB - 14378 - £14.99v

This diary is always a fan favourite and the new edition for 2027 will be available this month. This is a 112pp week-to-view diary which features thirty three stunning illustrations from wildlife artist Jane Smith. This really is a fantastic option to have ready for all your customers looking to start preparing for next year.

2027 Diary Scottish Nature Pocket - Birlinn - PB - 14379 - £8.99v

Another diary in the same range featuring illustrations from Jane Smith but this time in a pocket size version. This size makes it handy for your customers to keep organised and the beautiful illustrations also make it a lovely choice for a gift.

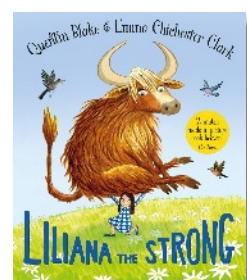

And among the new additions in our children's range -

The Littlest Puffling - Little Tiger - PB - 14544 - £7.99

A new heartwarming children's story about family and nature written by multi-million best-selling author Holly Webb will be sure to be a firm favourite this season. Join Alice as she goes on a family holiday to the beach and finds a baby puffin in grave danger who needs her help to return to safety in the sea.

Liliana the Strong - Two Hoots - PB - 14566 - £8.99

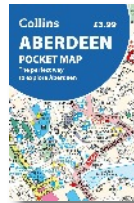

A brilliantly funny story about a tiny girl with superhuman strength. Written by Quentin Blake and illustrated by Emma Chichester Clark, this story is the perfect book for any child who needs to be reminded that everything will be okay. This will be a fun but heartfelt title for all young adventurers this summer.
